

## Department of Placements and Training

### CIRCULAR

Ref: //Dr.TTIT/2017-18/122

Date: 31.05.2018

We are happy to share that the 2018 batch students registered with cocubes are eligible to participate in “**EGestalt Technologies**” drive for “**Software Engineer**” position.

#### **Company Profile:**

Today’s cyber world is an increasingly dangerous place. Security lapses and compliance oversights can mean financial ruin for any-sized company.

Aegify was created to protect our clients’ profitability, assets and employees. Our mission is to continuously diagnose gaps in technology, cure these gaps for our clients, and protect their future.

Aegify Inc. is a leading provider of unified cloud-based SaaS (software-as-a-service) solutions for:

IT risk, security and compliance management

Vulnerability analysis

Business associate/vendor management

Aegify is the world’s first software-only solution that changes how businesses cope with risk, security, and compliance management challenges using a cost-effective, subscription-based, cloud-hosted SaaS solution.

Aegify received the highest rating of 5 out of 5 stars by SC Magazine in June 2014, with 5 stars for Features, Performance, Documentation, Support and Overall Rating.

Aegify is headquartered in Cupertino, California with development offices in Bangalore, India.
