Date: 07.03.2018

We are happy to share that the 2018 batch students registered with AMCAT are eligible to participate in **"ITC Infotech"** drive.

Job Description

About Company:

ITC Infotech is a specialized global full service technology solutions provider, led by Business and Technology Consulting. ITC Infotech's Digitaligence@work infuses technology with domain, data, design, and differentiated delivery to significantly enhance experience and efficiency, enabling our clients to differentiate and disrupt their business.

The company is powered by a growing portfolio of specialized solutions addressing critical business challenges, including: Industry 4.0 solutions (PLM, IoT and Embedded), Customer Value Management, Loyalty, Trade Marketing & Distribution, Supply Chain Optimization, Data Engineering and Analytics, Healthcare Analytics, Digital Banking solutions and Digital Agriculture solutions. The company provides solutions to enterprises in Supply Chain based industries (CPG, Retail, Manufacturing, Hi-Tech) and Services (Banking, Financial Services and Insurance, Healthcare, Airline, Hospitality) through a combination of traditional and newer business models, as a long-term sustainable partner. The company is focused on Supply Chain based Industries (Consumer Packaged Goods, Retail, Manufacturing and Technology & Media) and Services Industries (Banking, Financial Services, Insurance, Airlines and Hospitality), as a flexible, trusted and sustainable partner.
