

Job Description: Content developer

About the Company:

We are an integrated branding and digital marketing agency based out of Hyderabad.No, scratch that and hang on, we are ...A motley group of forward thinkers who get down straight to business from the word go. If your requirement is branding or marketing or development, our wide-ranging suite of services have been designed to give you the best output and leverage your brand reach and identity. That apart, our team simply has an aversion for monotony and strives hard to think out-of-the-box and develop a real-time solution rather than a mundane one. And more than anything else, ideas and innovation run through our veins and we look forward to creating an experience and not an identity.
