

## Department of Placements and Training

### CIRCULAR

Ref: //Dr.TTIT/2017-18/128

Date: 04.05.2018

We are happy to share that the 2018 batch students registered with cocubes are eligible to participate in “**Pole to Win**” drive for “**Trainee Test Engineer**” position.

#### **Company Profile:**

Pole To Win was launched in 1994 as Japan's first independent test outsourcing company. We have since grown to become the leading global innovator of quality assurance, technology and language solutions from over 30 locations worldwide.

Our name is derived from car racing. Pole Position drivers do not compete against other drivers to get ahead. They lead the race and set the bar for others to compete against them.

Pole To Win mirrors this by approaching our work with proactive planning and quality forethought in the service areas of Quality Assurance, Quality Engineering, Customer Experience, Localization, Talent Acquisition and Audio Production.
