Company Profile

A tiny acorn seed is a promise of life, hope and a fresh, verdant new beginning. It grows into a mighty oak with deep roots and far reaching branches to create a legacy that is strong and enduring. So also are each of us filled with endless possibilities and potential. Our ability to transform a tiny seed of an idea into a world-class product that is stable, long-lasting and robust like the mighty oak is reflected in our name. We are a design engineering firm that offers Product Realization Services from concept to end-product. With more than 100 person years of combined experience between the core team, this firm has a very strong foundation.
