

Department of Placements and Training

CIRCULAR

Ref: //Dr.TTIT/2017-18/040

Date: 19.03.2018

We are happy to share that the 2018 batch students who have registered for CoCubes are eligible to participate in **“Tinker Master”** drive.

Company Profile

Avurtana Learning Pvt. Ltd. founded in 2010 is a Bangalore, India based education services organisation with "TinkerMaster" as its flagship brand. TinkerMaster uses experiential learning programs which revolve around hobbies to impart learning in 21st century skills to children (K-9) in India. TinkerMaster is both a creator & aggregator of content.

TinkerMaster has created excellent content around technologies like Model Aviation, Robotics, Electronics and Mechanics. TinkerMaster's popular "Tinkershala Lab" school program is a part of the curriculum with leading schools in Bangalore and other cities in India.

TinkerMaster has developed strong delivery capabilities and robust processes to maintain uniformity in the learner's experience across all the schools.

TinkerMaster now has ventured into making exciting educational DIY kits for children of ages 6 to 14 years.
