## **Department of Mechanical Engineering**

In December 2022, on Monday the 12th, the department announced the formation of a student club aimed at engaging students in various activities, including cultural, sports, and technical events. The goal is to help students expand their interests, enhance their skills, and foster creativity, ultimately encouraging the development of new ideas and talents.

The department officially named the club *Yantrik Avinya's*, which was inaugurated by Dr. Syed Ariff, the Principal of Dr. TTIT. This event marked the beginning of an exciting journey to encourage student participation and development across various domains.

**Members Present:** Dean Academics, Vice Principal, Faculty of Mechanical Engineering and Students.

### **Objectives of Yantrik Avinya's:**

#### **Students will**

1. Gain technical knowledge through workshops, seminars, and competitions.
2. Gain cultural exposure by participating in various artistic and creative events.
3. Gain students will gain physical fitness and teamwork skills through sports activities.
