## Through Principal, DrTTIT

Dear Sir,

Mining Engineering department at Dr. T. Thimmaiah Institute of Technology, KGF has taken feedback on syllabus (Schemes 2015 & 2017) from different stakeholders like employer, alumni, faculty and students. Those feedbacks have been analysed at department level, and following observations have been made, which we understand, are very important to prepare the students to face the challenges of today's mining industry.

1. Incorporation of mine planning and design software
2. Incorporation of Industry4.0 transformation into syllabus with AI and ML application in Mining Industry
3. Mineral Economics shall be made core course
4. Innovative/New technologies in Mining Syllabus
5. Syllabus shall incorporate dynamically any amendment as and when happened in MMDR Act, MCR and FC Act, etc.

In this connection, I request you to kindly make necessary arrangements to incorporate the above in the forthcoming Scheme (2021) of syllabus, which is under process.

Thanking you,

Sincerely yours,

2021/12/29.12.2021
