About the Conference

The 1st International Conference on Recent Trends in Technology, Engineering and Applied Science (ICRTEAS-2019) organized by Dr. T. Thimmaiah Institute of Technology to bring together the research accomplishment by students, research scholars & professionals from both academic & industries across the Globe. ICRTEAS offers a real time opportunity to discuss new issues, resolve complex problems and find advanced engineering enabled solutions that can shape new trends in various technologies, engineering and applied sciences for the overall development of mankind. All manuscripts submitted will be peer-reviewed and evaluated based on originality, technical strength, research involvement, relevance to conference, contributions and readability.

Call for Papers: Original Unpublished research papers are invited in the below tracks.
Track 1-Computer Science and Engineering
Track 2-Electronics and Communication Engineering
Track 3-Electrical and Electronics Engineering
Track 4-Mechanical Engineering
Track 5-Mining Engineering
Track 6-Civil Engineering
Track 7-Applied Sciences (Mathematics, Physics and Chemistry)

Paper Submission & Guidelines

All submissions will be subjected to peer-review, conducted by experts in the field based on originality, significance, quality and clarity of the work. Manuscripts should be limited to a maximum length of 6 pages in IEEE format, including figures, tables and references. Papers should be submitted electronically in MS word format ([download from conference website](#)) with Author(s) Name, Address, e-mail ID and Phone numbers before the last date of submission with Track ID on subject line to icrteas@drttit.edu.in. There will be over length paper fee of 500 INR per page and limited to additional 3 pages only

Important Dates

Deadline for submission of full papers: 28-02-2019
Acceptance / Rejection Notification: 10-03-2019
Final Paper Submission and Registration: 18-03-2019
Conference Open: 12th – 13th April 2019

Registration Fees for Indian Authors

Student (UG/PG): Rs. 3000/
PhD/Faculty/Industry: Rs. 4000/
Listeners: Rs. 1000/
Spot Registration: Rs. 500/ (Additional)

For Payment Details Please Refer Conference Website:

About College
Dr. T. Thimmaiah Institute of Technology (Formerly Known as Golden Valley Institute of Technology - GVIT) was started in the year 1986 at Kolar Gold Fields by Dr. T. Thimmaiah, Ph. D., (London), IAS (Retired), as the founder President under the aegis of Golden Valley Educational Trust, with the sole purpose of imparting a quality technical education in rural sector of Kolar District. Dr. T. Thimmaiah Institute of Technology is affiliated to Vivekananda Technological University (VTU), in Karnataka & First Engineering College in Kolar District. Dr. TTIT is approved by the All India Council for Technical Education (AICTE) and at present offers Degree Courses in Engineering, Management and Post Graduation.

Today, Dr. TTIT is under the able administration of Dr. T. Venkat Vardhan, the Managing Director of India's No.1 Events Company, DNA Entertainment Networks Private Limited which is headquartered in Bangalore. Born and educated between Kolar Gold Fields and Bangalore, a mechanical engineer from UVCE, he is responsible for single-handedly redefining and landscaping presentation of Mega Live Entertainment and Sports Events in India. Since its inception for well over two decades,

Workshop Objective

- To provide a platform for students, researchers, academicians and industry experts to come under a single umbrella for sharing taught, ideas and innovations in machine Learning algorithms and techniques.
- To implement machine learning concepts and various algorithms.

Workshop Outcomes

- At the end of workshop participants should be able to design and implement machine learning solutions on classification, regression, and clustering problems.
- One shall be able to evaluate and interpret the results of machine learning algorithms and predictive models.
- Take-away a good understanding on the fundamental aspects and evaluated algorithms of machine learning.
