1.Safety and Security

In order to maintain safety, security to the girl students and woman faculty, there are 46 cctv in and around the campus, a committee has been constituted for redress of grievances. Our Internal Compliances committee stays alert all the time to prevent any sexual abuse to students and female workers. We also focus on preventing this kind of harassments by using secret monitory services.

- Deployment of CCTV in and around the campus for round-the-clock surveillance.
- Separate rest rooms for girls and lady faculty

2. Counseling

The major objective of the counseling center is to facilitate Academic, Emotional, Social and cognitive development of the students hence to empower them in their learning and personal development.. Dr.TTIT college of Engineering in the most common reasons college students seek counseling; to achieve this goal college is taking several steps.

- To provide counseling for the students by allotting mentors from their respective departments.
- To provide medical counseling to students experiencing any kind of health issues.

3. Common Room:

The Common Rooms are not only physical locations within the college, but they are also communities of students and staff.

- To have separate common rooms for both Girls and Boys with necessary facilities (Drinking water, Chairs, dustbins, room freshener, hand wash)
- To have Common rooms for Faculties, the purpose of common room facility for faculty members is to create a stress-free environment.
