Subject: A complaint regarding Attender JP's inappropriate behavior.

Respected Ma'am,

We, the students from CSE department are writing this letter to bring to your notice about the attender J.P.'s inappropriate behavior with us. We feel very unsafe and disturbed to come to college as we have to face him almost everyday. He takes advantage verbally when he sees any of us alone.

Yesterday, he wantedly dropped yellow books in the corridor and purposely asked one of us to pick it up and looked at very inappropriately.

There was also another incident where one of us were standing at fire lights alone and he's offered a lift in his car which was extremely inappropriate and disturbing. He stares at almost all of us when we walk on the corridors. His behavior continues even in the bus.

We hope you understand the depth and seriousness of this issue. We kindly request you to please do the needful.

Thank You.

With reference to the above subject. I am doing my duty as per instruction of hod. I have not done any wrong with the students, I am travelling in college bus. its all false complaint against me. However i will be carefull in future in my duty. As I am working in this college from 2005 to till date on there is no any remarks against me. if students have understood in different way sorry for that.
